SUMMARY

Creative Technologies student focused on visualization and digital design. Experienced with UI and UX in Figma, 3D modeling and fabrication workflows, and clear presentation for interdisciplinary teams. Seeking roles supporting architecture, visualization, and digital communication.

EDUCATION

Virginia Tech, Blacksburg, VA
Creative Technologies, May 2026

SELECTED PROJECTS

Bus App Redesign (Figma)

- Redesigned key transit flows for clearer navigation and faster access to stops, routes, and live arrivals
 - Created a cohesive UI layout and screen hierarchy for a short walkthrough prototype
- Hydro flask Foldout and Physical Build
- Modeled a product concept, created unfold patterns, and documented the physical build with photos
 - Focused on translating digital form into a buildable object with clean assembly planning
- 3D Printed Talisman
- Designed and produced a small 3D printed object, refined form through iteration, and documented results
 - Considered print ready constraints such as thickness, durability, and clean silhouette

TECHNICAL SKILLS

3D Modeling and Fabrication: Blender, Fusion 360, 3D printing, unfolding
Visualization and Design: Photoshop, Illustrator, Clip Studio Paint
UI and UX: Figma, visual design principles
Motion and Video: After Effects, Premiere Pro
Creative Coding: p5.js, JavaScript, Python
Audio: Adobe Audition

LEADERSHIP AND ACTIVITIES

Virginia Tech Corps of Cadets, Virginia Tech, 2021 Present

- Small unit leadership, accountability, and time sensitive deliverables
- Mentorship from superiors and mentorship of subordinates
- Worked with retired service members in a structured training environment

Citizen Leader Track, Virginia Tech, 2023 2025

- Professional etiquette development, mentorship, and leadership and ethics seminars

Air Force ROTC, Virginia Tech, 2021 2023

- Physical training, professional development, and hands on leadership labs

Black Cadet Organization, Virginia Tech, 2021 2025

- Volunteer work, mentorship, and community involvement

Mathematics, Engineering and Science Achievement, North Point High School, 2017 2020

- Programming immersion, competitions, and fundamentals in engineering and computer science

ACADEMIC HONORS

Commandant's List, Virginia Tech, Fall 2021
